

Information Sharing and Data Protection Policy

The aim of this policy is to provide a framework for secure information sharing between Fluenta and its partners to facilitate the provision of protecting intellectual property of Fluenta and the personal data of its employees and customers.

Most of organizational units within Fluenta often need to work together and share information to accomplish their specialized functions, therefore all employees should familiarize themselves with the information sharing rules that follow this introduction.

Fluenta is committed to protecting the intellectual property and personal data of employees, partners, vendors and the company from illegal or damaging actions by individuals, either knowingly or unknowingly.

Fluenta aims to enhance information security on the worldwide organization level, and to comply with all national and international data protection law.

On behalf of the Fluenta management team.
