

# Corporate Social Responsibility Policy

01.000.024.A

Fluenta believes that corporate social responsibility (CSR) lies at the heart of good business practice and shows an understanding of our impact on the wider world. For Fluenta, CSR is about complying with the spirit and intentions of law, rather than taking a narrow legal view.

Fluenta will conduct business in a legal, open and transparent manner. We conduct business with honesty, integrity and respect to human rights. Our health and safety policies are in line with best practice, and we seek to minimize our impact on the environment wherever possible.

Fluenta aims to be a good corporate citizen by ensuring we pay all applicable taxes in the jurisdictions in which we operate.

On behalf of the Fluenta management team.
